VALLEY LINK7821

9mm · 21mm · 78mm

Inspired by the valleys between the sandstone bluffs and cliffs in Rainbow Valley, Northern Territory, Porta Contours in Valley envelope a space with gentle movement, tactile interest and natural warmth.

With its consistent tongue and groove joint, Valley can be used in conjunction with any other Contours profile to create a unique design. Valley is also suitable for curved applications down to a 1000mm radius..

LINING BOARD SPECIFICATIONS

Product Code	LINK7821
Profile Type	Low Profile
Profile Size	91x21mm
Width	91mm
Depth	21mm
Length (species dependent)	0.9, 1.2, 1.8, 2.4 & 2.7m
Cover	78mm
Species	Tasmanian Oak, Clear Pine, Pre Primed Pine
Suitable Finishes	Varnish, Stain or Paint
Suitable Uses	Interior, Straight & Curved Applications
Fire Hazard Group (AS 5637)	3

This product is available in the following species and colour options
