CONTOURS TIMBER LINING BOARDS

PRE PRIMED PINE

BEAUTIFUL AND
RENEWABLE, PORTA
PRIMED PINE CONTOURS
TIMBER LINING BOARDS
CREATE A HIGH-END
RESULT WITHOUT THE
PRICE TAG.

Made from durable solid timber, Primed Pine Contours are ready to be painted with a top coat that complements your space. No undercoat is required; simply choose your desired paint colour and apply.

Perfect for residential or commercial projects, Contours in Primed Pine serve as a captivating feature. They are suitable for both flat and curved applications, seamlessly enriching the material palette with their richness and depth.

Designed for hassle-free installation, Contours feature a secret fix tongue and groove connection, allowing for fast and easy installation by a single person. They can be securely fixed directly onto prepared plasterboard, timber, steel, brick, or masonry wall surfaces.

To learn more about installing Contours, please visit Porta.com.au

Primed Pine Contours are FSC® certified. We are committed to sourcing timber from sustainable and environmentally responsible resources.

The mark of
responsible forestry

Inspired by the rolling mountains surrounding Ormiston Gorge in the Northern Territory, Primed Pine Contours in Riverine add natural warmth, texture and movement to any room.

RIVERINE LINA7821PIFP **CURVED BEAD** CBA3916PIFP

Inspired by the Blue Lake in the Snowy Mountains region of New South Wales, Primed Pine Contours in Cirque soften strong lines and add richness to the material palette.

CIRQUE LINB7821PIFP **CURVED BEAD** CBB3916PIFP

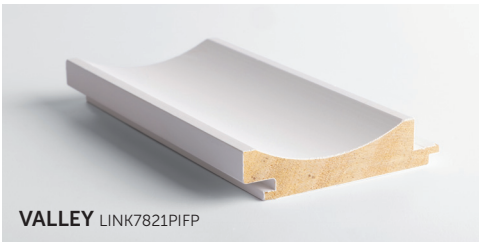

Inspired by crevices across the Macedon Ranges in Central Victoria, Primed Pine Contours in **Strata** are enhanced by its shadow gap for variation and interest.

STRATA LIND7821PIFP **CURVED BEAD** CBD3916PIFP

Inspired by the valleys between the sandstone bluffs and cliffs in Rainbow Valley, Northern Territory, Primed Pine Contours in **Valley** envelope a space with gentle movement, tactile interest and natural warmth.

STUNNING, TACTILE DESIGNS

Designed to deliver a premium seamless finish, Contours in Pre Primed Pine are offered in four stylish profiles. These profiles can be creatively mixed and matched to create unique and bespoke designs. In addition to Pre Primed Pine, Porta Contours are also available in other timber options, including Engineered American Oak, Tasmanian Oak, and Clear Pine.

Lining Boards Size **91x21mm** | Cover **78mm** | Length 2.7m
 Curved Wall Beads Size **39x16mm** | Length 2.7m
